Summer 2013

Issue 162

We are a Scottish Charity. run entirely by volunteers, and we've been doing conservation work in and around Edinburgh for over forty years.

We belong to TCV Community Network. Our funding comes from the clients that we work for, and also by grants from organisations like Scottish Wildlife Trust and Scottish Natural Heritage.

Charity number SC020384

I ended my last set of Coordinator's comments with 'Roll on spring!' - a phrase which now seems strangely inappropriate as within weeks of writing it I found that I was being sent to Malaysia by my employer. Here the weather is altogether warmer—though no drier—than is ever the case in Scotland.

Luckily there are plenty of people to keep things running without me just as smoothly as they ever run when I'm around (more so, probably) and so—although I'm a wee bit out of touch—I'm still able to report that LCV has had a successful quarter with the usual mix of tasks and social events.

The recent AGM saw some changes to the committee with Partha Lal and Rachael Taggart joining us to fill the posts vacated by Ian Dickson and Helen Jones. Many thanks go to Helen, lan and the returning committee members for all their efforts. Welcome to Rachael and Partha.

The updated constitution that was promised last quarter has been delayed due to my temporary relocation. However, it will be something to look forward to later this year.

Another highlight will be the summer resi at Moine Mhor National Nature Reserve, one of LCV's favourite locations in Argyll. Places are filling up fast, so make sure to sign up soon if you want to join us there.

# How to book and what to bring

#### Saturday and Sunday Tasks

We meet on the north side of St Andrew Square at 9.30 am prompt—look out for our white minibus. We normally aim to return around 5.30 pm. Bring a sun hat, waterproofs, a packed lunch and boots or wellies—steel toe-cap wear is recommended. If you have your own work gloves, you might want to bring them, though we do have gloves that anyone can borrow. Pack plenty of drinking water and wear warm clothes. Tea, coffee and biscuits will be provided.

Transport is free: phone Debbie, our Transport Secretary, by the Friday evening before the task to book your seat so that we know how many tools to take and don't go without you. Early booking is recommended. We only have twelve seats in the bus, so please do come if you've booked or others will miss out. If the bus is full, or if it's easier for you, you can meet us at the task site, but please inform Debbie so we can confirm the meeting point and arrival time with you. We don't cancel if it's raining. Age limits: Under 16s must be accompanied by a responsible adult and cannot travel in our minibus. We ask under 18s to please tell us your age when booking. Please ensure that your tetanus vaccination is up to date.

#### **Residential Tasks**

Residentials are great fun and they allow LCV to undertake larger tasks further away from Edinburgh. They involve a weekend away to work on the Saturday and Sunday. We leave on Friday night and usually take in a chip shop on the way. We get back to Edinburgh on Sunday evening.

Regardless of the time of year, bring a complete change of clothing so that you can get out of your work clothes in the evening. Remember that the weather can be very changeable, so bring a warm jumper and hat and above all don't forget a waterproof jacket and trousers and sturdy footwear. A water bottle is recommended. Unless otherwise indicated you'll probably need to take a sleeping bag and, if sleeping on the floor, a Karrimat or air-bed.

On residential tasks, breakfasts, lunches and the evening meal are organised by a volunteer. Everyone helps to prepare the food. The fare is usually vegetarian and there is plenty of it. Food for a weekend usually works out at  $\pounds 8 - \pounds 10$  each. Pickup is from St Andrew Square at 7.30 pm on Friday, unless otherwise stated. If you want to go on a residential task, please book with Debbie, our Transport Secretary. Bookings will be accepted for weekend residential tasks up to the preceding Wednesday evening.

### Monthly committee meetings

Every second Tuesday of the month we have a meeting to discuss LCV business at 16 Forth Street off Broughton Street. We leave a notice near the door with a mobile number to call so we can let you in. All are welcome to the meeting; we usually go for a drink in a local pub afterwards.
